To Our Dear Friends, Supporters and Members of Makor HaChaim,

We hope this finds you well.

As we stand on the threshold of a New Year, it is with great joy that we have successfully moved into our new, state of the art facility and shul. Replete with daily minyanim, classes, events and a luxurious, spa-like Women's Mikveh – **The New Makor HaChaim** has become a center of Torah and tefillah in the heart of the neighborhood and Community.

As we approach the High Holidays, we are very much looking forward to our first Yomim Noraim in our new spacious and comfortable location. At this time, we once again turn to you, to join us for our yearly **Membership Campaign**. This helps us to cover our yearly budget (which has nearly doubled with the new building), and also includes all of our classes, programs, events and grand plans we have to continue servicing the Community in more ways than ever before.

--We are presenting several different Membership Plans, so that each family, couple and individual can choose the option that will be most desirable and affordable to them. *As a Member, you will receive discounted rates on our Simcha Hall, when you want to make your next event and rent it out.* **Included this year is the opportunity to sponsor classes and our learning programs as well.**

Deluxe Membership - \$3,600 (includes 4 High Holiday adult seats [\$900 value], additional adult seats discounted to \$200 and children seats to \$75)

• *Please bear in mind that one's personal financial situation should not deter anyone from becoming a member. No one will be turned away, as we will work together with you to customize your Membership Plan.*

Please join us, as we plan to take **Makor HaChaim** to new levels of success and growth by partnering with us as valued members. Your support, involvement and generous contributions during this time of year, will enable us to start of the New Year with great enthusiasm and excitement, as we look forward to another year of growth, blessings and success for **Makor HaChaim** and all of its members, with Hashem's Help.

As the High Holidays are rapidly approaching, may your willingness to give *tzedakah* for such a worthy and noble cause, be a great merit for you, your families, loved ones, friends and all of the Jewish People, to be signed and sealed in The Book of Life.

L'shana Tovah,

A kesiva v'chasima tovah,

Rabbi Dovid Horowitz

Rav of Makor HaChaim
